## *Employee of the Year*

The recipient of Franklin County's Employee of the Year award values the contributions of other employees to the organization and provides encouragement, opportunities and resources to support them in reaching their maximum potential.

The Franklin County Employee of the Year is chosen annually from among the 12 Employee of the Month recipients for that year.

To be recognized as Employee of the Year  
lets me know that I am seen,  
whether I know it or not.

Many times, employees work hard  
and are never really acknowledged.

While acknowledgement is not why we do this job,  
it is still a good feeling that helps lift one up  
when the rough days seem to outweigh  
the good ones.
